

*Children's Ministry in the Region of Virginia  
Christian Church (Disciples of Christ) in the United States and Canada*

Children's ministry is important in the Virginia Region. That is why we in Virginia have a Children's Ministry Task Force that meets regularly to talk about the needs of children and to plan ways of supporting both the region and local churches in meeting those needs. Any member of a Disciples Congregation in the Virginia Region is invited to be part of this task force.

To offer suggestions about children's ministry or to join the Virginia Regional Task Force on Children please contact [Rev. Elaine Austin](#).
