Dr. Lee has served as Moderator of the Christian Church (Disciples of Christ) from 2005 to 2007. He has led his congregation in providing health care for people in need. What was once a congregational outreach program has grown into a community-wide clinic, New Horizons, Health Care, which touches the lives of 9,000 people each year. Dr. Lee is well received as a dynamic preacher at many Regional Assemblies and General Assemblies. Under his leadership the congregation's vision is to become an extraordinary church that engages and serves individuals in an exemplary way through worship, witness, evangelism and outreach. Lively worship and faith-based ministries, grounded in biblical teaching and preaching and shared in a welcoming environment, encourages increased involvement in the life of the church.
