2024

Dear Parent, Guardian, or Case Worker:

MARY ANSTICE  
Administrative Assistant  
ccinvaoffice@gmail.com

SUE GORDON  
Secretary  
ccinva\_sg@hotmail.com

Your campers' application for Special Camp has been received and we are looking forward to seeing him/her at camp. Camp will begin on Sunday, June 30<sup>th</sup>. You should arrive between 2:00pm and 4:00pm. Camp will conclude on Friday, July 5<sup>th</sup>. Checkout time is 10:30am on Friday. Please plan to arrive by 10:00am to allow time to have luggage loaded by 10:30am. Camp staff will be leaving before noon and the dining hall cannot serve lunch, so be sure that you are on time. If you are concerned about getting to Craig Springs on time because you have to drive a long distance, arrangements can be made for you to spend Friday night at camp by calling the Craig Springs office, (540) 864-5768.

Please pay close attention to the items that are not allowed at camp. Please remember that Craig Springs is a smoke free facility. No smoking will be allowed. If your camper smokes and you feel that not smoking for a week will cause him/her distress, please reconsider sending this camper to camp.

All medication will be kept in original prescription containers and dispensed by the camp nurses. Since this medication is checked in with a camp nurse upon arrival, it will be helpful if this is packed separately from luggage. Often, medications have changed since the application was submitted. If any changes do take place, have them noted and ready to give to the nurses.

Everyone is looking forward to our week at Special Camp. We're sure that your camper will have an exciting week of learning, fun, and fellowship.

You can email me at [jema2004@gmail.com](mailto:jema2004@gmail.com) with any questions concerning camp.

Yours in Christ,

*Janice E. Austin*
